Dear Per Ove, Bente, & family,

Here is your copy of the genealogy book that I have been working on and to which you have contributed so much. As you can see, this is a preliminary copy which I will update as soon as I get additional information.

Please look it over and give me your comments. I would appreciate your sending me any corrections and any additional information that you can get ( for example, Martin).

I am enclosing a Family Group Record sheet to assist you. I will be glad to include any information that you can provide, but I would particularly like to get more information on members still living. The right hand side of the form has space for notes or facts which would make things more interesting. For instance; Employment, Occupation, Military Service, etc.

I have also sent Brit a copy of this, since she provided me with so much of the information on my father's side.

I'm planning to arrive in Sioux City in the afternoon on Christmas day and hope to talk with you either then or maybe on the 26th.

Have a MERRY CHRISTMAS and HAPPY NEW YEAR!!!

Love to all,

# Family Group Record
